To Whom It May Concern:

I am writing in support of Ms. Emily Worthy, who worked with Mississippi College's Leland Speed Library as a student worker during fall term 2025.

Ms. Worthy approached work in a conscientious yet friendly manner. Speed Library has a small library staff, and we rely heavily on our student workers to offer reference, circulation, printing and directional assistance to our patrons. She learned the responsibilities of each of our service desks quickly, and asked questions when necessary.

Many students sought out Ms. Worthy when they needed assistance, and she was well-liked by staff, fellow student workers and patrons alike. She was patient and thoughtful in her interactions with others. I am certain she will excel in whatever employment she pursues, and I recommend her wholeheartedly.

Sincerely,

Claudia D. Conklin
